 - Two 2-Run SL Results
 - Two “Other” Results
 - Can be SL/GS/SG
- Athletes will ONLY be scored against NS CWG Eligible Para Athletes
 - For example, an NS athlete may finish 3rd in the Para category but beat all other CWG eligible Para Athletes from NS – that athlete will score 100 pts towards NS CWG qualification.
- Ties:
 - If two or more athletes end up tied for the final quota spot based on the 6 requisite results the tie will be broken by going to their next best result. This can be continued down the list of results until the tie is broken. If the athletes are still tied after going all the way down the list of results (highly unlikely) then the HPPC will use their discretion to break the tie.

Injury/Illness Exceptions:

- If an athlete is forced to miss some or all of the qualifying races due to circumstances beyond their control, and as a result do not make the team, they may apply for a qualification exception
- The application will be considered by the HPP Committee
- Criteria considered will include, but not be limited to:
 - Performance in races competed in during current season
 - Past season performance(s)
 - Training during current season (particularly amount and quality)

- Severity of the injury/illness or validity of any other reason
- Ultimate decision is subject to the discretion of the HPPC
- Applications:
 - To be sent to the Technical Director at MByrne@sportnovascotia.ca
 - Application should include a short description of the injury/illness/other circumstance, the time of the injury/illness/other circumstance, list of races missed, a doctor's note confirming the injury/illness, or a parents note confirming any other circumstance, a list of results from the current and past season and a brief note describing why the athlete believes they deserve an exception.

HPP Committee Discretion:

- HPP Committee and SNS will retain the right to exercise their discretion regarding team composition in extenuating circumstances.
