

WENTWORTH SKI RACING CLUB seeking Alpine Race Coaches

Wentworth Ski Racing Club (WSRC) is a non-profit organization dedicated to providing a safe, fun-filled environment for athletes to develop their racing skills. We are hiring alpine ski race coaches for weekend recreational and competitive ski race programs during the 2020-21 season.

Join us and enjoy the comradery of working alongside passionate and dedicated coaches and volunteers, while helping our young members achieve their potential and develop a lifelong love of skiing.

Coaching positions are available in the following programs which run from early January until early April:

- Snow Stars (U8 &U10)
- U12
- Senior Team (U14-U18)

Your responsibilities will include:

- Ensuring the safety and well-being of racers.
- Teaching and coaching duties relative to certification and experience in keeping with the Canadian Snow Stars Program and the Alpine Canada Long Term Athlete Development Model.
- Operating according to WSRC Coach Code of Conduct.
- Travel to a minimum of 2 away races.

Qualifications required:

- Strong technical backgrounds and effective coaching style.
- EL or DL certifications and/or experience.
- Valid CSCF license in the current season.

Professional development and training are available. Compensation will reflect experience and qualifications.

Interested candidates should send resume to Gregor Byrne at coaching@wentworthracing.com by September 30, 2020. Please include certification level including CSIA if applicable, years of coaching experience and top three age group preferences.
